Dear Mr. McCarter:

I am writing in response to your recent letter to the Office of Jury Commissioner in which you request certain information "pursuant to Massachusetts Public Records Law, M.G.L. c. 66, §10." Please be advised that the Judicial Branch is not subject to the public records law.

You requested the maintenance log for the "jury pool room on the second floor for December 2012 and January 2013 especially in regards to any service activity to correct the buzzing sound coming from the speaker system in that room."

Because this office is not responsible for maintenance at any of the court locations throughout the Commonwealth, we do not have the records you seek.

Respectfully yours,

Kara Houghton
Legal Counsel
